

Springs Rd. Sewer System Expansion

The Bedford Selectmen recently awarded a contract to Tufts, Inc. to install a new gravity sewer main on Springs Road that will tie into the existing sanitary sewer main in Fox Run Road, to provide sewer service to houses #558, 560 and 562 Springs Road in Bedford. Work is scheduled to begin November 30th and will continue through the end of the year. Normal work hours will be Monday to Friday, 7:00 am to 3:30 pm. In areas where Springs Road is too narrow for construction, the road will be closed to through traffic and a detour will be arranged.
